A beautiful and extremely decorative Italian 19th century Louis XV st. patinated wood and faux painted marble commode. The chest is raised by most elegant cabriole legs below the arbalest shaped apron centered by charming finely detailed hand painted flowers. The two drawers display additional beautiful hand painted flowers, lovely birds, scrolled designs, and patinated bronze keyhole escutcheons. The sides are decorated with central bouquets of flowers with fine lattice designs and framed within charming scrolled designs. Above is the wonderfully executed faux painted marble top.
