A stunning and extremely high quality Italian 19th century Verde Antico and white Carrara marble statue. The statue is raised by a rectangular Verde Antico marble base with a fine cut corner along the front and sides. Above are three richly sculpted and most charming young boys sitting on an elegant pedestal with beautiful scrolled sides with outstanding scrolled Rinceau designs centering a lovely palmette. The young boys are each seated with their legs crossed while draped in a flowing fabric and holding a long scroll with sculpted musical notations. Wonderful attention to detail throughout.
