A beautiful Italian 19th century watercolor painting named Flowers in a Vase and attributed to Wybrand Hendriks. The still life painting depicts charming blooming flowers and leaves with dewdrops and a discreet fly in a beautiful array of vivid colors all set in an urn with charming cherubs smiling and holding hands. To the right side in the foreground is a bird's nest with sticks and leaves and four eggs inside. Set in its original mottled ebonized Fruitwood frame.

Wybrand Hendriks (24th June 1744 - 28th January 1831) was a Dutch painter born in Amsterdam.
