A high quality and most charming Italian 19th century white Carrara marble statue, attributed to Lapini. This statue depicts a young man dressed in European pastoral attire with his wide-brimmed hat and short jacket. He's wearing wonderfully detailed trousers with his traditional shoes and socks laced up each leg. He leans against a rock like support while crossing his legs and playing a flute. Wonderful expression and attention to detail throughout.

Item #11795 H: 34 in L: 11 in D: 11 in List Price: \$59,800.00
