A stunning and very high quality Italian 19th century white Carrara marble statue signed by F. Galli and named Masquerade. The statue is raised by a square base with cut corners, lovely most decorative geometric designs, and charming floral rosettes. Above is the beautiful maiden dressed in charming boots and a wonderfully executed flowing dress with exceptional dentil details, and a sash tied around her with a charming bag at her side. She is wearing a masquerade ball mask with a feather and hat on her head while holding a superb flowing shall behind her. Exceptional attention to detail throughout.
