A truly stunning and finely detailed Italian early 18th century Louis XVI st. Faux Marble and Mecca coffee table. This impressive truncated rectangular table is raised by four Mecca urns. Each urn is supported by a mottled socle base with Coeur-de-Rai edges before introducing the swaging floral garlands that surround the body. The top cap of each urn contains an additional socle decorated with palmette carvings. The rectangular top is edged by faux Marble designs while flanking the faux Sienna marble center.
