A sensational and extremely elegant Italian early 19th century giltwood, gilt metal, and crystal chandelier. The six arm chandelier is centered by a lovely bottom foliate giltwood finial decorated with a fine cut faceted crystal ball with prism shaped crystal pendants. Above are two mottled pressed gilt metal tiers centering the beautiful richly carved foliate giltwood central finial with a superb top urn shaped finial. Each tier is adorned with striking cut crystal swaging garlands with elegantly scrolled arms branching out from the top tier leading to floral giltwood bobeches and baluster shaped candle cups. Delicate beaded chains lead upwards with four elegant crystal and pressed metal reserves leading up to the majestic crown shaped top with fine foliate acanthus leaf designs adorned with additional most decorative crystal pendants. All original gilt throughout.
