A sensational and most handsome Italian early 19th century Neo-Classical st. ebonized fruitwood, mahogany, satinwood, brass inlaid and Brèche Violette marble freestanding console. The console is raised by striking ebonized fruitwood paw feet below elegant square tapered supports. Each support displays most decorative brass fillets while the front two display richly carved and finely detailed caryatids. The bottom tier displays its original fitted Brèche Violette marble framed within a striking and most decorative brass inlaid diamond shaped band on an ebonized fruitwood background. Above each leg are remarkable diamond shaped brass reserves flanking the elegant central drawer with a beautiful satinwood panel framed within a fine ebonized fruitwood and a finely tailored pierced brass band. The drawer opens to reveal the original document compartments. Each side is also decorated in a similar fashion. Above is the original Brèche Violette marble top fitted within the same stunning diamond shaped inlaid band.
