A handsome and most unique Italian early 19th century Neo-Classical st. patinated Wood, Giltwood and Granite console. This stunning console is raised on patinated black lion's paw feet leading up to large scale scrolled acanthus leaves. Magnificently sculpted Caryatids support the apron which is decorated with scrolled foliate carvings and a palmette central reserve, all on a hammered background. Above is the impressive and extremely rare demi lune shaped veneered Granite top finished with an eased edge.
