A monumentally scaled and most decorative Italian late 17th century Baroque Period Venetian st. patinated Wood and Giltwood wall decor. This most impressive wall decor/plaque is underlined by opulently sculpted patinated Wood scrolled foliate base accented with Giltwood borders. At the center is a stunning and large scale crest showcasing a Phoenix and Lion while being topped with a Giltwood palmette and flanked by a pair of charming cherubs. Each cherub holds one side of a richly carved floral garland which cascades down each side.
