A most unique Italian late 18th/early 19th century Baroque st. Giltwood and Breccia Oniciata marble side table/pedestal. This wonderful table/pedestal is raised by a Giltwood base shaped as a mound of rocks supporting a pair of dolphins with tails intertwined around a shaft with an acanthus leaf capital.

Their tails display intricately carved scales in a rich satin and burnished finish. Above is the round top decorated with foliate designs surrounding an inset piece of Breccia Oniciata marble. Original stone top and gilt throughout.
