A charming and extremely well executed Italian mid 19th century white Carrara marble statue of a psyche. The statue is raised by a circular mottled base. The mythical creature is standing next to foliage while her draped classical wrap on her shoulder and body flows beside her. She has a teasing expression wondering if she should show us what is in the circular box she is holding. Wonderfully executed and fine details throughout.

Item #9220 H: 34 in D: 13 in List Price: \$26,500.00
