A charming Italian turn of the century Louis XV st. kingwood side table. The table is raised by elegant slender lightly curved legs with fine foliate ormolu sabots. Each leg is connected by a bottom tier decorated with unique and finely detailed inlaid marquetry designs of a central urn with flowers flanked by four playing cards. The apron displays a most decorative wrap around band with a charming array of decanters and a drawer at the center with a lovely foliate ormolu pull. The top displays an additional finely detailed inlaid marquetry design of trees and flowers with Asian musicians and birds flying above.
