A highly decorated and very impressive Italian Turn of the Century Neo-Classical st. semi precious stone and marble coffee table. This attractive coffee table is raised by two sets of carved white Carrara marble winged lions with large scaled paws. Each leg has a pair of lions facing away from each other and supported on a rectangular base. The wonderfully detailed stone parquet style top displays a stunning array of semi precious stones. The center showcases spherical Rose de Valence marble patterned inlays with bands of white Carrara marble surrounding smaller scale Onyx spheres within. The rectangular center is encased within two Belgian Granite bands separated by a Vert Campan band in between. Before the Vert Campan inlaid band on the outer edge, there are bands of additional Belgian Granite, Notre Dame, and circular figures containing Breche Rouge ,Lapis Lazuli, and white Carrara marble.
