An attractive and most charming Italian Turn of the Century white Carrara marble statue. This intricately carved classical statue of a maiden at a flowing spring is supported by a circular marble base which displays a delicately carved wrap around band. The lovely maiden is partially dressed in a flowing robe gently wrapped around her waist while her hair is elegantly pulled back. She leans forward while holding a charming seashell that is overflowing with water. Wonderful proportions and attention to detail throughout.

Item #11326 H: 47 in L: 17 in D: 16 in List Price: \$34,800.00
