A superb and most handsome Italian early 19th century Walnut and burl Walnut buffet. The two door four drawer buffet is raised by six unique and most decorative baluster shaped feet below the finely mottled frieze. At the center are four drawers with striking recessed burl Walnut panels framed within a mottled border and centered by a lovely circular bronze pull and charming pierced foliate backplate. The two doors at each side are decorated in the same manner with remarkable quarter veneered burl Walnut panels and pieced foliate bronze keyhole escutcheons. The solid Walnut sides and top showcase the warm wood grain. All original hardware throughout.
