A lovely French 19th century Louis XVI st. Mahogany and ormolu side table/desk. The one drawer kidney shaped table is raised by elegant pierced scallop shaped supports with fine curved feet connected by a beautiful stretcher with a most decorative geometric design. The apron displays one drawer following the elegant kidney shape and showcasing the beautiful warm wood grain centered by a foliate ormolu pull. Above is the original fitted brown leather writing surface with a foliate tooled band framed within a fine wrap around mottled ormolu gallery.
