A very uniquely shaped French 19th century Louis XV st. kingwood veneered and ormolu side table. This diamond shaped table is raised on elegant tall cabriole legs with ormolu sabots and large foliate ormolu mounts at the top. The arbalest shaped frieze has a front drawer with finely chased ormolu keyhole escutcheon. Above is a quarter veneered top with inlaid border all fitted within a thick mottled ormolu gallery. All original warm patina throughout.
