A most elegant and unique French 19th century Louis XVI st. giltwood mirror. The mirror retains its original mirror plate with an exceptional and wonderfully executed beveled border following the beautiful shape of the giltwood frame. The frame displays a lovely scalloped shape at the base with a fine mottled border and elegant berried laurel garland tied with a charming ribbon. Beautiful richly carved floral garlands are draped along the top and sides seemingly wrapping around and behind the frame tied at the corners and leading to a stunning intricately detailed basket of blooming flowers.
