An elegant pair of French 19th century Louis XVI st. cobalt blue Sèvres porcelain and ormolu urns. Each urn is raised by a square ormolu base with arches, cut corners and a decorative recessed reeded pattern. The socle pedestal displays a berried laurel band and richly chased foliate movements with a fine hammered design. Leading up each side of the cobalt blue Sèvres porcelain are scrolled foliate ormolu arms, in a satin and burnished finish.

The arms connect to the fine ormolu rim which displays Vitruvian scrolls, acanthus leaves and attractive decorative patterns. Both urns are finished on the inside. All original gilt throughout.
