An elegant and most charming French 19th century Louis XVI st. crystal and ormolu lamp, possibly by Baccarat. The lamp is raised by a fine circular ormolu base with beautiful block rosette feet and a fine wrap around berried laurel band. The crystal socle pedestal displays a lovely cut design and a foliate ormolu mount, which encases the elegant body and displays fine fluted and diamond shaped cuts. At each side are richly chased scrolled foliate handles in a striking satin and burnished finish. The neck tapers to a slender concave shape with decorative ormolu rings. All original gilt throughout.
