A charming and most elegant French 19th century Louis XVI st. mahogany, charmwood, ormolu and white Carrara marble side table. The table is raised by three beautiful circular tapered legs with a unique and extremely decorative spiral fluted design, lovely fitted topie shaped sabots, and richly chased foliate top caps. The circular frieze displays three striking and intricately detailed ormolu plaques of charming rams flanking a woven basket with grapes and grape leaves set on a charmwood background and framed within a beaded band. Above is the original white Carrara marble top fitted within an elegant mottled wrap around ormolu gallery. All original patina and gilt.
