A stunning and most impressive large scale French 19th century Louis XVI st. onyx and ormolu clock, by Marquis à Paris. The clock is raised by fine fluted topie shaped ormolu feet below the mottled onyx base. Above is a thick and most impressive berried laurel band wraps around the clock. The white enamel face displays Roman numerals and the signature framed within the circular bezel with a detailed Coeur de Rai pattern and two beautiful large laurel branches, in a stunning satin and burnished finish. At each side are majestic scrolled movements leading up to the powerful and richly chased urn of property and eternal flame decorated with interlocking patterns and flanked by superb berried laurel garlands. All original gilt throughout.
