A high quality and charming French 19th century Louis XVI st. ormolu and White Carrara marble statue. Raised by a thick oval White Carrara marble base with ormolu topic shaped feet and a mottled top with a fitted beaded ormolu trim. The ormolu statue displays a most impressively etched base in a striking satin and burnished finish, where a charming and richly chased young boy holds his handsome hound back from from catching the hunted pheasant. Wonderful details and proportions.
