A charming and very unique French 19th century Louis XVI st. Mahogany and ormolu side table/lamp. The two tiered table is raised by three elegantly curved legs below a baluster shaped circular fluted support. At the center is a circular display tier with a beautiful Mahogany sunburst design framed within a fine pierced wrap around gallery. Above an additional baluster shaped support is a similar oblong top tier also showcasing the warm Mahogany wood grain and centered by two electrified candles leading up to the original toile shade which is adjustable in height and secured by the beautiful fletching.
