A charming and very unique French 19th century Napoleon III period Ebony, exotic wood, and ormolu side table. The three tiered table is raised by elegantly curved Ebony legs leading up to three tiers. Each display tier boasts stunning intricately detailed marquetry designs of beautiful scrolled foliate patterns with fine wrap around ormolu borders while the top displays a lovely central inlaid musical instrument and notes amidst laurel branches framed within a pierced ormolu gallery. All original gilt and patina throughout.
