A stunning French 19th century Egyptian revival Neo-Classical st. giltwood double framed mirror. The original beveled mirror plate is framed within a finely carved foliate border. At the base and borders are additional original mirror plates also framed within beautiful foliate bands, decorated with pierced interlocking patterns and elegant palmettes. Above a beautiful gadrooned band, is the most impressive mirrored top crown. The top crown displays a beautiful scalloped shape with outstanding and wonderfully executed scrolled and rinceaux shaped foliate designs. To each side are exceptional and richly carved seashells and sphinx accents. The top displays a superb palmette flanked by two eagle heads all in a rich satin and burnished finish. All original gilt throughout.
