A very elegant French 19th century Neo-Classical st. crystal and ormolu chandelier. The twenty four light chandelier is centered by a crystal ball centered by a circular bottom tier with crystal pendants, leading up with elegant crystal garlands to the impressive ormolu central tier. The tier has twelve S scrolled ormolu arms accented with crystal pendants and bobeches.

Above are the twelve additional lights raised on ormolu wreaths and palmettes, alternating within the arms. Additional crystal garlands lead up to the ormolu top crown accented with impressive ormolu palmette and crystal sprays.
