A handsome and very high quality pair of French 19th century Neo-Classical st. ormolu and Sienna marble tazzas. Each tazza is raised by a square Sienna marble base with fine ormolu ball feet and beautiful wrap around Coeur de Rai mottled ormolu bands. Above the square central supports are the striking ormolu tazzas. The tazzas display impressive foliate designed socle shaped pedestals, reeded bodies, and scrolled handles with intricately detailed winged horses that lead up each side. Lovely foliate and beaded bands extend along the rims while each tazza is also finished on the inside.
