An elegant and highly decorative French 19th Louis XVI style patinated bronze with Jaune du Jura marble base. The bronze is raised by a square marble base below a smaller bronze support. Above is a cheerful and charming patinated bronze cherub with wings, sitting on a grotto with his right leg on the side. The cherub with a classic drape around his waist is holding up a cup in his right hand and a bird is sitting on his left hand. His hair is decorated with a floral garland. Wonderful and rich patina throughout.
