A stunning and large scale true pair of French mid 19th century Louis XVI st. patinated bronze and ormolu four arm electrified candelabra lamps. Each lamp is raised by a ormolu base with a square design and cut corners, below a circular column, with a fine wrap around foliate band and a scrolled fluted pattern. At the center are exceptionally executed and most charming patinated bronze cherubs draped in a flowing fabric while holding up the impressive and richly chased ormolu floral bouquet. Each richly chased flower displays exquisite detail and finely etched designs with striking foliate candle cups.
