A most exquisite and extremely decorative pair of Italian 18th century giltwood mirrors. The pair are in the shape of a foliate fan with a wonderful pierced frame retaining all of their original mirror plates. The bottom of the frames have 'C' scrolled foliate scrolls below a floral central reserve with acanthus leaves. Above is the spray of mirror plates which are joined by rosettes and foliate swaging garlands. The top of the spray ends with additional acanthus leaves amidst shell like designs. Unique with wonderfully elegant.
