A beautiful true pair of Italian 19th century Charles X Period cherry wood, birch wood and marble side tables/chests. Each is raised by elegant birch wood bun feet below fluted architectural columns which lead up each side. At the center of each door is an elegant pierced birch wood raised design. The door opens to reveal an interior shelf. Above is a drawer with a similar most decorative pierced reserve and keyhole escutcheon. All below the original striking Gris St. Anne marble top with rounded corners.
