An elaborate and highly detailed Italian mid 19th century ebony and ivory freestanding demi lune console with matching mirror. The console is raised by four square tapered supports inlaid with scrolled foliate ivory inlays amidst figures. The supports are joined by an 'X' stretcher with a central finial. The mottled frieze has intricate scrolled designs flanking coats of arms. The top with a fitted white Carrara marble has a similarly decorated border. The very architectural mirror has a finely detailed frame with additional ivory inlaid foliate scrolls with Neo-Classical urns. The dramatic top pediment has solid ivory block dentil accents all below the top central ebony finial.
