A stunning and very unique Italian 19th century Louis XV / Louis XVI st. giltwood mirror. The original beveled mirror plate is framed within a charming and unusually shaped giltwood border. The border displays a beautiful scrolled foliate design at the base centered by most decorative tied ribbon movements. Leading up each scalloped shaped side are richly carved tied floral bouquets with lavish fruit set on a most decorative lattice designed background. The majestic top crown displays a wonderful central Fleur de Lys designed acanthus leaf, amidst additional richly carved floral and fruit garlands. All original gilt throughout.
