A large scale Italian 19th century patinated wood, iron and gilt pressed metal chandelier. This wonderfully decorative six arm chandelier has a central turned fut with a painted finish and large acanthus leaves. The six 'S' scrolled painted wrought iron arms are decorated by gilt pressed metal arms at the top and bottom. The electrified candles are raised by painted candle cups and surrounded by cut pressed metal saucers with acanthus leaf designs. The arms are accented by a central painted rosette on the fut and inverted finial below.
