A sensation and unique pair of mid 18th century Venetian faux marble and giltwood wall brackets. The pair are in the shape of a cornucopia with the bottom swirl in a beautiful burnished gilt finish. The center has a wonderful faux white Carrara marble with gray veins. The top has a mottled gilt band below the charming face of a opened winged cherub. The top shelf has a very decorative acanthus leaf edge. Exceptional quality with a unique design making these very decorative.
