A very elegant possibly Russian 19th century Louis XVI st. ormolu and crystal six light chandelier. The chandelier has a lower pierced ormolu base with crystal pendants and a centered sphere, hanging from an inverted ormolu finial at the base of the baluster shaped red glass element. The S scrolled arms extend from the central fut adorned with glass bobeches and crystal pendants, joined together by crystal garlands. Clear glass encases the central fut above, amidst ormolu sprays with crystal garlands. At the top is an additional vase shaped red glass element, with an ormolu base and spray above, decorated with crystal pendants.
